Putting your thoughts in the washer
for just some simple processing like:

10 min

your thoughts
going in cycles

20 min

2 hours

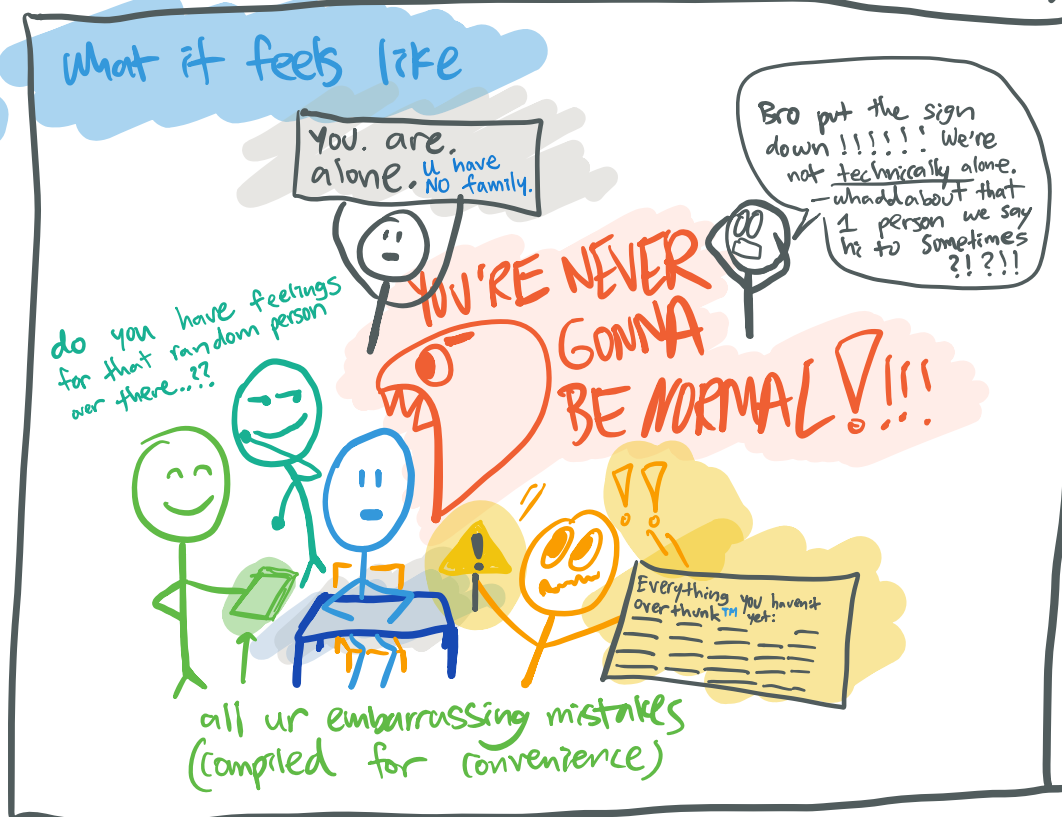

5 hours

i spent my whole day going
paranoid, didn't I?

Now that I've watched Inside Out 2 I realize that this depiction is basically the same thing.

But in my defense, I had the idea before I watched the movie so I'm including it anyway!

Ineptness dept, Level 42.

Whew! Retrieved the
memory, Sir.

Sergeant,
what is this?!

Sir, the data archives wouldn't
let me order 1 overanalysis w/o
also ordering 40 tangentially related
ones.
